

# ATLife 2021 Assistive Technology for Life

May 6<sup>th</sup> ▶ 9<sup>th</sup> Sun  
IF, TaiNEX1

Dear Sir and Madam,

It is our great honor to invite you to the exhibition, **ATLife 2021 – Assistive Technology for Life**, from **May 6<sup>th</sup> to 9<sup>th</sup>, 2021** at Taipei Nangang Exhibition Center, Hall 1 (TaiNEX 1), Taiwan.

**ATLife** is one of the most significant and recognized exhibitions in Taiwan, which indicates the up-to-date technology of assistive devices and long-term care. Furthermore, ATLife is a platform that offers great business opportunities by connecting experts, government entities and local associations. In 2020, ATLife achieved its new milestone; nearly 123,000 visits in total, and 24 countries worldwide to join through virtual expo. More than 3,000 products were introduced during ATLife such as mobility and household aids, communication aids, rehabilitation, smart care, respiratory care.

The upcoming ATLife 2021 will continue to reflect its glory, which has attracted over 220 exhibitors, 550 booths are ready to host in the physical event and also the comprehensive virtual expo that brings Taiwan to the world without geographic limitations. The theme of ATLife 2021 - "Smart Senior Living & Innovative Long-term Care" demonstrates the following highlights, including the industrial seminar and workshops connect industry and market, such as "Chinese user-experiences" which is from the feedback of Taiwan's well trained Assistive Technology Professionals (ATPs). Thematic Areas, pavilions of assistive industries and Highlight Areas show Taiwan's pivotal position in the global assistive technology chain. And "Carers Guides: 12 Frequently Asked Questions in Active Ageing and Long-term Care" that provides caregivers a full view of long-term care field.

The opening ceremony of ATLife 2021 will be held in May 6<sup>th</sup>, concurrently with the inauguration ceremony for "Taiwan Alliance of Technology Industries in Smart Senior Living and Innovative Long-term Care (TATISI)", which will gather the support of the government and the leading associations, boosting the development of industries of assistive devices and long-term care.

**ATLife 2021** has more to come, and we look forward to seeing you in **May 6<sup>th</sup> to 9<sup>th</sup>, 2021, Taipei, Taiwan**. Should you need any further information, please do not hesitate to contact us.

Best Regards,

Shwn-Jen Lee, PhD
