## Taipei Invention Award

### 【Judging Process】

#### **First round:**

**On-site demonstration:** The jury committee examines inventions, posters, and other related establishments of previous awards or patents as evidence during the show.

#### **Final round:**

After the first round, the jury committee will re-examine all entries. The committee will then select the award winners in each competing category based on their evaluation.

### 【Judging Criteria】

1. Innovation and Creativity: The invention demonstrates innovation, creativity, or originality.
2. Market Performance: Marketing tactics and distribution; meets practical market demands.
3. Function and Practicability: User-friendly, eco-friendly, and compatible with various systems.
4. Gender Inclusivity: The invention includes features that promote inclusivity and equity across genders.

### 【Award Details】

1. The Awards Ceremony will be held on October 18, 2025. (Details to be announced)
2. One certificate and trophy will be awarded for each winning invention.
3. A list of all winning inventions will be featured in TAIWAN INNOTECH EXPO 2025 publications, including the official website.
4. Platinum, Gold, Silver, and Bronze Awards will be awarded based on the level of creativity exhibited by the invention as well as its potential to contribute to industry development.

### 【Awards】

#### **TAIWAN INNOTECH EXPO Platinum Award (one from each category):**

1. Inventions with the highest score in each category will receive the TAIWAN INNOTECH EXPO Platinum Award.
2. The award will be presented on stage by the Director-General of the Taiwan Intellectual Property Office.

## Participation Information

### 【Eligibility】

1. Except for embargoed/sanctioned countries/regions, all are eligible to participate in the exhibition. Please either register directly or through agencies or branch offices in Taiwan.
2. Exhibits should meet one of the requirements:
  - A. Exhibits have been granted a valid patent (from July 1, 2020-June 30, 2025)
  - B. Exhibits have filed a provisional patent application and received a Patent Pending Number issued by their Intellectual Property Offices.
  - C. Exhibits have been approved by their Intellectual Property Offices but have not yet obtained patent rights.
3. Domestic exhibitors exhibiting foreign works must submit the authorization or agency contract of the patent owners, as well as a copy of the certificate of patent right or a copy of the patent application.

**\* Past Taipei Invention Award winners cannot re-register the same invention(s) for the competition.**

### 【Required Documents and Regulations】

1. Please fill in and return the following documents by e-mail to book exhibition space:

#### **Inventor group**

- 1 copy of the Application Forms ([Form 1, 2, 3](#)) and invention photos.

(Only the group leaders are required to fill out Form 1; companies or group members are only required to fill out Form 2&3)

#### **Individual exhibitors**

- 1 copy of the Application Forms ([Form 2, 3](#)) and invention photos.

2. Deadline for Application: Ends on August 8, 2025, or until booths are fully booked.
3. Applicants must secure their participation by remitting full payment **before** the deadline. Otherwise, the application will be nullified.
4. **Booth allocation priorities:**
  - (1) Number of booth(s) applied. In cases where the numbers of booths are the same, the exhibitor who handed in all application forms earlier gets to choose first.
  - (2) Full payment received and confirmed by the Organizer.
  - (3) Date of application received and deemed completed by the Organizer.
5. **Maximum of 3 inventions per booth.**
6. After booth allocation, each applicant will be notified of their booth number and receive the Exhibition Manual via e-mail.

7. The Organizer reserves the right to determine the exhibition eligibility of participants, the inventions to be displayed, and the number and location of booth(s) for each exhibitor.
8. The Organizer accepts no responsibility for obtaining visas for exhibitors to travel to Taiwan. Exhibitors are responsible for obtaining their visas in advance of the expo. For R.O.C. (Taiwan) entry visa application information, please refer to <https://www.boca.gov.tw/mp-2.html>
9. Gas stoves or other fire-starting equipment are prohibited for safety reasons. Only electrical appliances are allowed to be used in the show venues.
10. Please be aware that there may be pipes or electric wires passing through your booth.
11. The Organizers reserve the right to adjust the aforesaid Regulations without notice.
