

Subject:

The Application for the Buyer's Incentive Program of ENERGY TAIWAN 2025 is opened now till September 26, 2025.

Details:

1. Above mentioned show will be held from October 29 to October 31 at Taipei Nangang Exhibition Center, Hall 1. It is expected to have 550 exhibitors using 1,750 booths, showcasing Taiwan's leadership in the fast-growing green energy sector and positioning the event as the premier gateway to Asia. This year's theme, "Net-Zero in Action," focuses on key topics such as energy transition, diversified renewable energy, high-tech energy storage, and advanced energy-saving technologies, creating the industry's most comprehensive green energy business platform. For more information, please visit: <https://www.energytaiwan.com.tw/en/>
2. The criteria and quota of the buyers and details of the buyer's incentives for each of the Taiwan Trade Shows are listed on EBS. **Please go to <http://ebs.taitra.org.tw>, pick [New Inquiry] under [Inquiries/Show Visitors], then Choose [Meeting Suppliers in Exhibition] from the [Type] list and apply.** For how to apply and enter buyer's information, please refer to the EBS Manual for Inquiry, which can be found and downloaded from the EBS homepage (on the lower right-hand side).

3. Please ensure that all invited buyers, both those incentives and those self-expenses, are pre-registered in the EBS system prior to the exhibition to facilitate post-event buyer performance evaluations. Buyer performance will

be recognized based on pre-registration in the EBS system and records of exhibition attendance. As each buyer's performance is only recognized once, please coordinate in advance between Economic Divisions and Taiwan Trade Centers in cases where buyers fall within overlapping jurisdictions, to determine the responsible unit for pre-registration. This will help with accurate assignment and recognition of buyer performance post-exhibition.

4. To carry out the buyer reimbursement matters smoothly after the trade shows, please use buyer's name on the passport when you type in buyer's information on EBS for identification. The program opens for overseas offices to invite buyers who hold the Republic of China (Taiwan) Passports to visit the Taiwan Trade Shows. However, the number of people of ROC (Taiwan) nationality invited shall not exceed 8% the total number of foreign buyers who have received the incentives. When this quota is full, anyone with ROC (Taiwan) passport applying for the program will not be accepted.
5. In order to enhance the effectiveness of buyers' procurement in the exhibition and improve exhibitors' satisfaction with target buyers, please confirm that the buyer's business items are related to the exhibition and describe the buyer's procurement items in detail on EBS. If the buyer wishes to meet certain exhibitor(s), please make a note in the "Remark" section.
6. The Exhibition Section 8, Exhibition Department, TAITRA is responsible for the reviewing of buyer's application and reimbursement. The person in charge of the buyer's incentive program of ENERGY TAIWAN is Ms. Mandy Wang, who can be reached at the phone number: +886-2-2725-5200, ext. 2981, email: mandy@taitra.org.tw.
7. One-on-one procurement meetings will be held during the show. The person in charge of the meetings is Ms. Fran Huang from the Exhibition Section 8, Exhibition Department, TAITRA. Please contact Ms. Huang at the phone number: +886-2-2725-5200, ext. 2987, email: franhuang@taitra.org.tw.
8. The following buyers are required to participate in one-on-one procurement meetings with the exhibitors. To make the arrangement and execution of the procurement meetings smoothly, application deadline for these buyers ends on September 11, 2025.

(1) Buyers receiving "VIP"

(2) Buyers receiving "SMMEs: Air Ticket"

Buyers applying for accommodation incentives are welcomed to participate in the Procurement Meeting. Those who can put a tick next to "To join a trade meeting" on the EBS system before September 11, and the person in charge, Ms. Huang, will assist in the arrangements.

9. Please make sure to stay on top of the flight schedules and hotel accommodation of those buyers who need to attend the procurement meetings and provide such information 7 days prior to the trade show, in order to let Ms. Huang contact the buyers when necessary.
